

Acknowledgements to article reviewers

The editors of the Technical Physics Journal express their deep gratitude to the reviewers of articles published in 2023. The quality of publications and the reputation of the journal largely depends on your efforts. Thanks for the work you've done.

We look forward to further cooperation with You.

*Chief Editor of the Technical Physics Journal
Academician A. G. Zabrodskiy*

Articles V. 93 of the Technical Physics Journal were reviewed by:
